

SARAH DOAN

PROFESSIONAL EXPERIENCE

STANFORD UNIVERSITY • Stanford, CA

Apr 2017 – Present

Accountant

- Manage diverse portfolio of awards (clinical trials, fellowships, NIH, NSF, etc.) from School of Medicine, Humanities & Sciences, and Engineering
- Work collaboratively with Contract Officers, Department Administrators, Accounts Receivable, and Sponsors to clarify financial terms and ensure compliance of sponsored research projects
- Participate in critical analysis of existing systems and processes, identifying and implementing process improvement opportunities
- Serve as a resource on grant and accounting procedures and provide guidance where needed
- Review and interpret legal documents for financial terms and conditions

Accomplishments:

- Monitor entire project lifecycle of 200+ awards to ensure compliance with policies
- Closeout 10+ awards monthly—closeout procedure includes audit and reconciliation, creating financial reports and analysis, and final submission to sponsor before deadline
- Manage sponsored research of up to 25 years with awards amounts up to eight
- Conduct training sessions for department admins including walkthrough of financial systems, how to analyze raw financial data, and guidance on how to understand terms and conditions
